Uniform Policy

Donnybrook District High School

Rationale

At Donnybrook District High School, we feel it is important that we take pride in how we represent ourselves. We are a small and close knit community and should appear in that manner and not as a collection of individuals. We value inclusivity and have an understanding of how, unfortunately, the social status of a student can be determined by the clothes they wear. This is why it is imperative that students adhere to the uniform guidelines listed below.
